Within Temptation, In power we entrust the love a

Sail on silver wings through this storm
What fortune love may bring
Back to my arms again
The love of a former golden age.
I am disabled by fears concerning which course to take.
For, now that wheels are turning,
I find my faith deserting me...
This night is filled with cries of
Dispossesed children in search of Paradise.

A sign of unresolve that, Envisioned, drives the pinwheel on-and-on.

I am disabled by fears concerning which course to take.

When memory bears witness to

The innocence, consumed in dying rage!

The way lies through our love;

There can be no other means to the end,

Or keys to my heart... You will never find. You will never find!
