

# Within Temptation, Wireless

Within Temptation prezentuje singel "Wireless" (premiera 19 maja 2023 r.).

It's the ultimate sacrifice.  
Like a God, you threw the dice  
and then you left us all wireless.

I started to wonder, wonder.  
Why is your smile so callous?  
I'm here going under, under.  
Why is your heart so heartless.  
I know, I know.  
I'm such a fool.

It's here, you wear the mark of shame..  
It's here, just like the mark of cain

You never cared for us, just our halo.  
With its glorious force to draw more souls in.  
You never cared for us, our dreams evaporating.  
You left us here without a safety-pin.  
You never cared for us, just our halo.  
Our Bloody halo.

Try to elevate your demise.  
You got everything sanctified.  
All is shattered and is wireless.

We're forced through the gauntlet, gauntlet.  
Like mice in a maze, we're running.  
We know we go under, under.  
Like moths to the flames we're falling.  
We know, we know, It is cruel.  
It's here, you wear the mark of shame.  
It's here, just like the mark of cain.

You never cared for us, just our halo.  
With its glorious force to draw more souls in.  
You never cared for us, our dreams evaporating.  
You left us here without a safety-pin.  
You never cared for us, just our halo.  
Our Bloody halo.

It will reach for you.  
It will try to turn you over.  
The feeling should wake you up.  
It will reach for you.  
When it all falls apart.  
It's frightening, they're watching you, just watching you.

You never cared for us, just our halo.  
With its glorious force to draw more souls in.  
You never cared for us, our dreams evaporating.  
You left us here without a safety-pin.  
You never cared for us, just our halo.  
Our Bloody halo.
