Wiz Khalifa, 45 Minute Beatdown (feat. Lil Uzi Ve

Beat that mu'fucka up, Quad Uh

I promise to God you ain't gon' touch me (You ain't gon' touch me) You not on my side, then I gotta crush you, nigga (Then I gotta crush you, nigga) Not one of my guys, then I don't trust you (Then I don't trust you) Quit shakin' my hand sayin' that you love me, nigga (that you love me, nigga) You ain't from my gang, you ain't from my set Quit sayin' my name, you don't get respect When it's the right place then niggas gon' check you (Then niggas gon' check you) Only made it this far 'cause I let you ('Cause I let you) Quad on the beat, this shit sound special (This shit sound special)

Beat that motherfucker up (Beat that motherfucker up) Beat that motherfucker up (Beat that motherfucker up)

Yeah, I know they ain't expect me to blow up (What?) Now everyday for my haters, I gotta go up Bitch, I'm countin' these rickety-racks, like why would I slow up? Yeah, gettin' too turnt up, fucked up, now I'm 'bout throw up (Ugh, Lil Uzi) Yeah, beat that motherfucker up Yeah, left hook, uppercut Yeah, beat that motherfucker up Ayy, like a face from the blunt Ayy

Beat that motherfucker up (Beat that motherfucker up, yeah) Beat that motherfucker up (Beat that motherfucker up) Beat that motherfucker up (Beat that motherfucker up)

I get behind her, don't gotta grind, no, I ain't with takin' my time My bitch is a fire, my niggas'll ride, my Cartier covered in diamonds (Covered in diamonds) Ain't takin' no shorts, ain't tellin' no lies We through the clear port whenever we fly Do it for the sport because in the end the stronger survive Blowin' on kush, you see in my eyes (You see in my eyes) Got family ties, I just fucked your bitch, it ain't no surprise Throw shots at the gang, I really don't advise it (I really don't advise it) We the niggas they talk about If a nigga act up in this bitch, he ain't walkin' out When we swingin', you fallin' out You knew just what would happen soon as I bring Quad around He gon'-

Beat that motherfucker up (Beat that motherfucker up) You wan' take a shot? (I'm like, I've already had my shot) Let's go to the grave You ready to die? (I'm not about to take anything
