

Wiz Khalifa, Chappelle's Show (feat. AD)

no matter which it goes
y'all be the rookies
we pros
I walways stay on my toes
you smell the kush on my clotes
a real boss never folds
or show the cards that he holds

I am whit my squad getting stoned
or whit your broad getting done
a couple cars
couple homes off of the bars I composed

speaking of composure
I keep it and I keep my team closer
noggas need to keep their mouths shut, closure
if we don't eat the what's the outcome
vultures
a pound of ween
you'll never see my whiteout one
always lowkey
you hardly see me in town
