

Wiz Khalifa, Don't Stop

Nigga what time it is, time to go get some money and fuck these hoes
I'm stackin' up and hussling fa-sho
Changin' the game when I came in the door
Niggas was lame so I came with the dope
Doin' some things that you ain't seen before
Remember them days when I slept on the floor
Now we hit the hotel and we get the whole floor
Walk in the bank smell the dank on my clothes
Makin' more change than you think I'm supposed to
Been round the world but I still be out local
One of the best and I'm just being vocal
Clean up good like soap do
Make you feel good like soul food
Them fuck niggas they old news
Got a old car with new shoes
Niggas don't test cause I give em the blues
I'm in love with my music, try to boss up don't get comfortable too
Blowin' kush where my roof is, bad bitch where my room is
I'm high where the moon is, we winnin' not losin'
Whatever you do just

Don't stop ever lovin' me
Don't stop ever lovin' me
Don't stop ever lovin' me
Don't stop ever lovin' me

I needed it I bought it and worked hard for it
But won't forget the days when I couldn't afford it
Just put me in the game, I ain't gone ever forfeit
My son in private school, I gotta pay the mortgage
Them niggas talkin' shit, to me that ain't important
I'm ridin' foreign whips, that means them things imported
You on the internet, this shit you say recorded
You hangin' round them snitches, that mean you can't report it
I'm tryna fall asleep, soon as my plane get boarded
Them niggas can't hate, the police can't get warrants
I'm buyin' real estate, that mean my bank enormous
My diamonds real yours fake, that mean you can't ignore it
I need a bigger plate, make sure my steak is on it
That KK got you buzzed, it make you think of hornets
Ferrari's, Porsche's, all these horses
You dreamin', we livin', the sky is the limit

Don't stop ever lovin' me
Don't stop ever lovin' me
Don't stop ever lovin' me
Don't stop ever lovin' me
