## Wiz Khalifa, Go Hard Or Go Home (with Iggy Aza

I feel like the sky is falling down
Ain't nobody here to play around
Push it to the edge, I won't back down
Cause it's time to go hard or go home
One way up, no way out
I give it all, all for the family
We stay up, no bail outs
Give it all, all for the family (family, family, fa-fa-family)

Five, four, three, two, I got one shot
You lose the love and respect, that's where the trust stop
New work, top drop
I roll up every fifteen minutes like a bus stop
And you can smell just how I'm smokin' when I burn out
And you can catch me ridin' dirty, but my car not
It's love and loyalty until my heart lock
Never turn your back, won't know how it turned out
I said it once, I'll do it again
I'm playin' the game, I do it to win
With you and your friend, that's thick and thin
That's me and my team, you know we gon' win
You know we gon' ball, you know we gon' ride 'til the wheels fall off
You know we gon' stick to the course, we ain't thinkin' 'bout y'all

I feel like the sky is falling down
Ain't nobody here to play around
Push it to the edge, I won't back down
Cause it's time to go hard or go home
One way up, no way out
I give it all, all for the family
We stay up, no bail outs
Give it all, all for the family
E-e-ey, e-e-ey for the family
E-e-ey, e-e-ey, e-e-ey all for the family (family, family, fa-fa-family)

M-O-N-E-Y, what I go hard for Swingin' on the green like I'm tryna get a par four You ain't sittin' at my table, hope you starve Ho, don't be pushin' my buttons 'less you startin' up my car Pressure make a diamond, that pressure made me a star Got a method to my madness, to bring me down by the bar People always askin' me how I got this far My response is just to keep it honest and be who you are Now they call me Mrs. Money like I'm married to the moolah Just to measure my success I need at least a hundred rulers Glory, hallelujah, I'mma take that ass to church I'mma finish like I started, Iggy still got that work
