

Wiz Khalifa, Legendary

Intro
I'm so shiny
Yeah..

Put some deuces on the ride, let my jewelry hit the lights
Tell your girls they're all invited
It'll be legendary, It'll be legendary
I've been working all my life, I know how to take my time
All you gotta do is grind, we gon' be legendary
We gon' be legendary

Aw man, dog we eatin on the beat
Everything become complete, still got Taylors on my feet, 150k a week
I been hustling everyday, dog I barely go to sleep
They don't go hard as I do, so they can't even compete
I been rapping since a kid so I could stay up out the streets
Made a way for all my niggas to get paid to say the least
Made it way up out my city and they can't even believe
Niggas saying shit on Twitter that they can't even delete
Now we growin pounds, now we growin pounds, now we grown pounds
Got a problem with the gang then it's going down
Spendin money cause we got enough to go around
You didn't bet, you know it now, I'll show you how to

Put some deuces on the ride, let my jewelry hit the lights
Tell your girls they're all invited
It'll be legendary, it'll be legendary
I've been working all my life, I know how to take my time
All you gotta do is grind, we gon' be legendary
We gon' be legendary

Them haters, I don't know none, I don't know none
I go and get the car, Imma cop the old one
That money Imma fold some, Imma fold some

Roll one, Imma roll one
Them haters, I don't know none, I don't know none
I go and get the car, Imma cop the old one
That money Imma fold some, Imma fold some
