

# Wiz Khalifa, Look Into My Eyes

It ain't hard to tell I got money  
You can see it if you're blind  
You can see it when it shine  
You see it then it's mine  
Always on my hustle  
Always on my grind 24/7, 365  
Came up off the corner, quarters nickels and dimes  
Nigga don't believe me, look into my eyes  
Niggas moving pies, niggas losing lives  
Niggas doing time, they just tryna' survive  
Niggas talking shit, see me then its fine  
Broke and rich nigga, it's a very thin line  
Speeding in my ride, smoking weed I'm getting high  
Hope you niggas fire, gonna need em' if you try  
All black leather, all black Jordan 5's  
Money in the bank, kay kay on my mind  
Got some niggas that I'm cool with, some gangster ass ties  
All my niggas riding, all you niggas smiling

Shades on so them haters can't  
Look into my eyes Look into my eyes, look into my eyes  
So high that they say it's hard to look into my eyes  
Look into my eyes, look into my eyes  
You'll see all the shit I been through if you look into my eyes  
Look into my eyes, look into my eyes  
You gon' see a real nigga when you look into my eyes  
Look into my eyes, look into my eyes

My pops tell me I look tired when he look into my eyes  
Soon as the cameras come on I know how to look alive  
My mom tell me I look stressed when she look into my eyes  
So many people in my business I'm just trying to live my life  
You can tell I took a dab if you look into my eyes  
See them kay kay clouds floating if you look into my ride  
Say I look just like Sebastian if you look into my eyes  
Know this whole world fucked up so I gotta raise him right  
So we rolling, we smoking on that potent a boss  
I got my own shit, breeze holding on that chrome shit  
He down to let you hold it, we all the same we close knit  
Roll weed up by the ocean, you closing shop we open  
We all know that the bullshit be talking and the real shit be walking  
It's a 9-11 I'm parking you ain't getting money that's awkward  
Probably say I need a day off if you look into my eyes  
Niggas faking but I can't I don't look good in that disguise

Shades on so them haters can't  
Look into my eyes Look into my eyes, look into my eyes  
So high that they say it's hard to look into my eyes  
Look into my eyes, look into my eyes  
You'll see all the shit I been through if you look into my eyes  
Look into my eyes, look into my eyes  
You gon' see a real nigga when you look into my eyes  
Look into my eyes, look into my eyes
