

Wiz Khalifa, Pony

If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it
If you're horny, let's do it, ride it, my pony
My saddle's waitin' (Okay), come and jump on it

Grippin' on the sheets, you be bitin' on my lip
Then be grittin' on your teeth (On your teeth, on your teeth)
Your turn to a beast, when that dick get in you
You on top, I'm underneath (I'm underneath, I'm underneath)
I ain't even know you was a freak (Freak, freak)
Hit you up the right time of the week (Week, week)
We up in the mornin', we don't sleep (Sleep, sleep)
Make you squirt, make you leak (Make you leak, make you leak)

If you're horny (Haha), let's do it (Oh), ride it, my pony
My saddle's waitin', come and jump on it
If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it

If you're horny, you should ride it
When you see my name pop up in your phone, you get excited (Get excited, get excited)
Girl that pussy is the tightest, when you with me you just gotta give it to me, you can't fight it
Let them niggas finance
Keep fuckin' with me, I'ma give your ass some guidance
This an old car, watch your feet when you slide in
Bitches choosin' me, you right there when they decidin'
They pay up when the night end

If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it
If you're horny, let's do it, ride it, my pony
My saddle's waitin', come and jump on it
