

Wiz Khalifa, POV (feat. Rubi Rose)

P-O-V, P-O-V
P-O-V, P-O-V

Hit it from the back, that's my favorite P-O-V
P-O-V, P-O-V
Shorty brain game different, she on T-O-P
Top, she on top
Then I hit it from the side, watch me slide
P-O-V, P-O-V
Then we hit a new position, she on T-O-P
Top, she on top
(Okay!)

Turn the camera on, I wanna see you do it solo
Throw some D's on it, make it bounce like a Lolo
Did it free once, said you won't do it no more
Fuck a rich nigga, might get a little promo
Only number one so you gon' be a star with it
Got a nigga he be texting but he need to call with it
I'm a pimp and I'm limp, she gon' leave the mall with it
Tired of medium, you need a large and I'm the one with it

Hit it from the back, I'm her favourite P-O-V
P-O-V, P-O-V
Shorty brain game different, she on T-O-P
Top, she on top
Then I hit it from the side, watch me slide
P-O-V, P-O-V
Then we hit a new position, she on T-O-P
Top, she on top

Ass up, face down, kiss it from the waist down
Make that nigga bus bus, greyhound
Look me in my eyes while you lick between my thighs
Better eat it like you grown, boy don't play 'round
Kitty so wet, you might just drown in the shit
You know I always get my way like I be frownin' and shit
You say you beat the pussy up but do you leave it black and blue?
Your favorite rapper's face is in my lap, you know my point of view, bitch

Hit it from the back, that's my favorite P-O-V
P-O-V, P-O-V
Shorty brain game different, she on T-O-P
Top, she on top
Then I hit it from the side, watch me slide
P-O-V, P-O-V
Then we hit a new position, she on T-O-P
Top, she on top
(Okay!)

P-O-V, P-O-V
P-O-V, P-O-V
P-O-V, P-O-V
P-O-V, P-O-V
