

# Wiz Khalifa, Prequel

I can't even hear what they're sayin'  
Roll another plane up, take all the problems, blow it away  
And I can't even hear what they're sayin'  
I pull up in a ride that's so loud the motor blow you away  
And I can't even go where I really wanna go  
Cause I'm always on the road, but I'm gettin' dough  
And I can't even say how much money I done made  
We ain't gotta roll 'em up because they pre-rolled

All my bitches roll, all my bitches smoke  
All my niggas ride, all my money comin' from the go  
All I do is grind, all I do is shine  
All I do is take my time, take my place and never wait in line  
Had to get my own, had to leave 'em 'lone  
Had to fuck your bitch, had to grow some weed, had to get some dough  
Pass another one, I got cash enough for both of us  
Always rollin' up, smell that weed, you know it's us  
Gang

I can't even hear what they're sayin'  
Roll another plane up, take all the problems, blow it away  
And I can't even hear what they're sayin'  
I pull up in a ride that's so loud the motor blow you away  
And I can't even go where I really wanna go  
Cause I'm always on the road, but I'm gettin' dough  
And I can't even say how much money I done made  
We ain't gotta roll 'em up because they pre-rolled

3 in the roll, then we lit 3 more, continuous smoke  
I don't need yours cause these was rolled 'fore I left the door  
Nigga fasho, since 2009, this was the code  
We collected and changed the trajectory of the globe  
Highed up, sittin' in my '84  
The second switch I hit'll make my bad bitch drop it low  
I'm out front with the moonroof back  
Sparks when the bumper scratch  
Better tell 'em that, we done smoked the whole pack

I can't even hear what they're sayin'  
Roll another plane up, take all the problems, blow it away  
And I can't even hear what they're sayin'  
I pull up in a ride that's so loud the motor blow you away  
And I can't even go where I really wanna go  
Cause I'm always on the road, but I'm gettin' dough  
And I can't even say how much money I done made  
We ain't gotta roll 'em up because they pre-rolled
