Gotta keep some kushy tucked got some niggas who be drilling
Nigga I don't give a fuck, I don't care bout how you living
Got some money in the tuck got my mind on a million
I can never save a hoe I'ma always be the villain
It's some grown ass men but I treat them like children
Ball 'till you fall nigga get it how you living
I'ma always eat my steak clean the plates do the dishes
I'm the realest
Smoking killer with my arm out the window
I don't gotta take the broad out to dinner
Early morning I'ma call then I hit her
Snake ass niggas y'all got the venom

Get a lot of money over here, but we can get more
We got a lot of dips over here, but we can get more
Niggas hating on us everywhere, we can get more
I don't give a fuck and never will, we can get more

I'm in the game I get the ball and then I dribble
Don't beat around the bush I'm going up the middle
A big player been one since I was little
And I'm the bossman y'all in the middle
Millions on my mind I go out there and get em
A real player I keep all kinds of women
Do what I want fuck the laws that's how I'm feeling
Say it again for you if y'all didn't hear me
She in a rush to fuck but I really tripping
And you know if I got it on it's expensive
I ain't a simp I don't be all in your mentions
I'm running game I'm talking all the dimensions
Girl I got baller intentions
All kind of benefits, all my cars limitless
All my broads plenty thick
Bitch ass niggas wanna hate man that's many men
Niggas bad down and they mad cause I'm really rich

Get a lot of money over here, but we can get more
We got a lot of dips over here, but we can get more
Niggas hating on us everywhere, we can get more
I don't give a fuck and never will, we can get more

Ooh

Oh we can get more and more, oh we can get more
Oh we can get more and more, oh we can get more
Oh we can get more and more, oh we can get more

20 million that's the bid
I gotta leave that for my kid
I gotta take care of my fam

I gotta get out the bed
I gotta make sure mom is straight
I gotta make sure that I'm fed
I got shit that I gotta do, can't be shit that I'm just saying
If I ain't gon' do my thing I gotta get up out the way
Cause these niggas round the way gon pull my card and tell me I'm playing
Better pick up on some game and shit, I gotta know in advance
Gotta hold on to 2 things, gotta have God and gotta have plans
Gotta be patient gotta be clean
I pray that God [?] my hands
Gotta be careful for what I say
Im looking at all the seeds I plant
When you a boy do what you want
Do what it takes when you're a real man
Fuck circumstances I survive wherever I can
Gotta provide and gotta pretend a life that I don't live
Sometimes you lose sometimes you gon win you get knocked down and get up again
I gotta be rich don't gotta have friends that's when that hating shit gotta begin
Same ones that played me now they on the bench
I get on my grind and got my revenge
Instead of that crying, start up a business, we can get more
Instead of destroying shit why don't you build it, we can get more
Instead of spending it save all the millions, we can get more
Quit worrying about money spend time with your children, we can get more

Oh we can get more
Oh we can get more
Oh we can get more
Oh we can get more
Oh we can get more
Oh we can get more
Oh we can get more
Oh we can get more
Oh we can get more
Oh we can get more
