

Wolfsheim, And I

Hoping... feeling...

I will come back to you
And hold you in my arms
And I...

I know you're wrong but
I can't change a single thing

It's like it's meant to be!

Inside I feared to find it...

That you cannot stand the fact
I'm not in love with you!

And I...

I've got the feeling

That I've really had enough

It had to end right here!

There was nothing left to lose

Despite the time we've spent...

Nothing left for you

And I...

Still had the feeling

I won't find in you what I still sought

So what am I to do?!
