

Wolfsheim, For You

This time is hard
It's not as easy as it was
With you around
You always stood by my side
You made this world a better place
With just a smile

I waved goodbye
I shed a tear
And never felt for someone
The way I felt for you
And I don't mean... for anyone
I mean... for you!

And all these memories fade away
I can feel that I will lose these images
I tried so hard to keep
But I never will forget
you made it such an easy thing
To feel at home

I waved goodbye
I shed a tear
And never felt for someone
The way I felt for you
And I don't mean... for anyone
I mean... for you!
