

# Wolfsheim, For You

This time is hard  
It's not as easy as it was  
With you around  
You always stood by my side  
You made this world a better place  
With just a smile

I waved goodbye  
I shed a tear  
And never felt for someone  
The way I felt for you  
And I don't mean... for anyone  
I mean... for you!

And all these memories fade away  
I can feel that I will lose these images  
I tried so hard to keep  
But I never will forget  
you made it such an easy thing  
To feel at home

I waved goodbye  
I shed a tear  
And never felt for someone  
The way I felt for you  
And I don't mean... for anyone  
I mean... for you!
