

Wolfsheim, I Don't Love You Anymore

I don't understand you saying
"Our seas were always rough!";
We had to make it up somehow
But years were not enough

I will not praise the times we had
And won't deny that I feel sad
The silence speaks for you and me
While we're dancing

Ref.:
I don't love you anymore
And we're dancing
You're not the one I'm falling for
But we are dancing

I will not praise the times we had...

Look at what we have today
I can't live without you!
That's not what I want to say
But it seems so true

I will not praise the times we had...

So many good times that we had
(I) Can't help myself... I feel so sad...
I wish that you would speak to me
While we're dancing

Ref.:
I don't love you anymore
