

# Wolfsheim, Tender Days

Prowling streets at night  
The moonlight's burning  
and I'm feelin' so lonely

Dark and dull my mind  
A crying emptiness  
I cannot cope with

I'm yours  
You're mine  
Our love eternal

One day  
you left  
my heart in silence

All the merry dreams we lose  
We will never know the truth  
No shade of doubt, no need for prove  
you're my queen and I'm your fool  
Remember tender days of youth

You're my sun ... you shine into my heart  
Innocent and pure ... you save me from the dark

Youth has come, youth is gone  
In every breath I smell your beauty

Deep and true my love for you  
like something words I cannot find for

My god! What is it for  
you took my love away

"Don't shed no tear!" she said  
but nothing's left that I can hope for
