

# Wonder Stuff, 30 Years In The Bathroom

My lavatory has been my sanctuary  
And it's easy for you to laugh at me  
'Cos I been 30 good years in the bathroom, baby  
Rubadubdub one man in a tub and it's me  
Always me

CHORUS

And now the time has come to share the joke  
That the latch on the bathroom door is broke  
And now it's time to let you know  
That it's only the beat of my heart that is slow  
Who's fault is this? I deny that it's mine  
I been stuck in here since 1959  
That's 30 good years in the bathroom baby  
But it's okay, yeah it's okay  
Cos when they come to take me away  
I will be clean, I will be clean

CHORUS

Well I been 30 years in a bad mood, baby  
But it's okay, yeah it's okay 'cos that's better  
Than 30 years on the back seat of a car  
Oh beat me with the pumice stone  
Eight to the bar

CHORUS
