

Wondermints, Guess I'm Dumb

The way I act don't seem like me

I'm not on top like I used to be

Like you've been when I know I should be strong

I stuck in then even though I know it's wrong, know it's wrong

I guess I'm dumb but I don't care

And breaking off wasn't hard to do

But I couldn't stay away from you

I feel love but not the way I did before

This time girl, has got to be forever more, ever more

I guess I'm dumb but I don't care

And baby since we've been apart

Maybe I've found I had a heart

I couldn't let go even if I wanted to

You must know baby now it's only you, only you

I guess I'm dumb but I don't care
