

Woody Guthrie, Hanuka Tree

Round and around my Hanuka tree
Round and around I go
Round and around my Hanuka tree
Because I love you so
Round and around my Hanuka tree
Round and around we go
Round and around I'll hold your hand
Because you love me so
Round and around my Hanuka tree
Round and around we go
Round and around I'll hold your hand
Because you love me so

Round and around our Hanuka tree
Round and around we go
Clap our hands as loud as we can
Because I love you so
Round and around our Hanuka tree
Round and around we go
Round and around our Hanuka tree
Because you love me so
Round and around our Hanuka tree
Round and around we go
Round and around our Hanuka tree
Because you love me so
