

World4another, Change My Fears

I'm not afraid
i'm not afraid anymore
i'm not ashamed
i'm not ashamed anymore
you've become real
so real to me
i'll give this all
if it means i'm free

so take it
shake my life
break it
show me the way
take me out
give me love
change my fears
change my fears

i'm not alone
i'm not alone anymore
i'm just unsure
unsure what for
i will be real
so real for you
i'll give this up
if you want me to
