Mr. Bush sit down, I'm in charge of the war!

[Inspectah Deck]

Yes yes y'all, the I-N-S bless y'all

Stop hearts like cholesterol, let's brawl

Never fall, tear it down like a wreckin ball

Role call where my niggaz that's one for all

And all for one, we draw the guns on impulse

Cash in the envelope, spend it on kinfolk

Then smoke a ounce as we count mills

Providin you pure ecstasy without pills

We hall of famers, and still hit you with the greatest

Took a year hiatus, now you wanna hate us

Thanks to all you haters for all the cream you made us

[Chorus]
