

Wumpscut, Oh How It Feels

The Bleeding
From Your Heart
The Pain Torn Apart
Forever
Tortured Soul
Whenever
Undead Soul

Oh How it feels
Your Pain is Real

Does it Really
Your Dead Bastard
Is it Really
Braindead Bastards

And why did you say
that we should fall
when you saw the sail
and our fall
a final grace
a fortune in vein
a glorious Race
a raving Pain

OH HOW IT FEELS
