

Wyclef Jean, Anything Can Happen

[Intro:]

I got the skully to my face (hardcore)

I got the skully to my face (hardcore)

cause anything can happen at the Carnival

(Yo make room, make room, make room, MAKE ROOM, make room)

You can't stop the shining

Yo, don't slip Mike

You don't want to go there is all, trust me

I know your girl wit you, but you don't want to get embarassed

Trust me

[Chorus:]

Yo, when you're rolling to the Carnival, anything can happen

What, what, say what, say what, anything can happen

Making love to your girlfriend, anything can happen

What? Say what, say what, anything can happen

She's sleepin wit your best friend cause anything can happen

Wh-a-at? Say what, say what, anything can happen

You roll down the block, come back with your gat

and POW, cause anything can happen

[Verse One:]

Feel this composition, it's a brand new dub

First thing I did, was went to the pub

Tequila with worm, lemon, salt, and no rocks

Cause when it hits my chest -- it gots to be hot

Uh haha, stop, 'Clef can I rock, yo

Get out the bathroom, let me go again from the top

Feel this composition, I wrote it in the tub

First thing I did, was went to the pub

Tequila with worm, lemon, salt, and no rocks

Cause when it hits my chest -- it gots to be hot

Ahhh, stop, 'Clef can I rock
I'd like to give a shout out to my people on the block
For you Silly Willy playin thug cartoon
My infrared scope got your movements on zoom
Boom new toon, write songs in my room
Sleeping with the bride, even though I ain't the groom
Your husband assume, come back with his goons
Put me in the trunk on your way to your honeymoon
Radio my platoon, Wyclef to Sev'
'I hear them playing Elvis, they on they way to Graceland
But they don't scare me, I'm in the trunk, I ain't sorry
Natural born killer, who slept with the enemy'
Think quick, what should I do, what did double-oh-seven do?
I pulled a bomb from my shoe (hahahahaha)
And exploded the trunk (blaoooww) I woke up half drunk
Over looked by a bunch of gypsies wit a bag of skunk

[Chorus:]

You got the skully to your face, star, anything can happen
What, what, say what, say what, anything can happen
Sellin crack in the corner, man, anything can happen
What? Say what, say what anything can happen
I just got laid off, anything can happen
What, what, say what, say what, anything can happen
You don't wanna go there, cause anything can happen
What, what, say what, say what, anything can happen

[Verse Two:]

Aiyyo, anything can happen, you can't stop the shining
You lookin at my watch, but my mind's really the diamond
Nine to the Seven, you better off steppin
When I'm writin with my pen, it turns into a lethal weapon (Ding!)

Take this lesson, to your next session
I suggest, you practice with the freshman
Sophomore, junior, then come check the senior
By then I would have graduated from the school of ruckus
Wyclef and Jerry Wonder, last of the producers
If the royalty ain't right, I put a call to Donny Eina
But always stay humble went from bummy to neat
Cause money break groups up like the Five Heartbeats
Don't get souped cause you, pushin a Coupe
Next year you on foot, runnin from a lawsuit
For example, I know I'm nice, I don't front it
Least anticipated, to the most wanted
Yeah, that's me in the spotlight
With a mic and a guitar, like M.O.P., I like it raw

[Chorus:]

Yo, when you're rollin to the Carnival, anything can happen
What, what, say what, say what, anything can happen
Every man got disciples, anything can happen
What, what, say what, say what, anything can happen
Its all about survival man, anything can happen
Hah, say what, say what, anything can happen
You lookin at me wrong, man, anything can happen
What, what, say what, say what, anything can happen

Will the Knicks win the championship this year?
Say what, say what, anything can happen
Will we find some peace of mind this year?
Say what, say what, anything can happen
You ready for the revolution this year?
Say what, say what, anything can happen
Will you make love with no condom this year?
No no, no no, that will never happen

The record is not over yet

The record is not over yet

The record is not over yet

Where the ladies at? Put yo' hands in the air!

And for the ladies, we won't play you

If you proud, shake what yo mama gave you, hey!

Whether your fat or slim, bubble your ting

Fellas if you need help, use ginseng

And for the ladies, we won't play you

If you fat, shake what yo mama gave you, hey!

Whether your fat or slim, bubble your ting

ReFugee thugs hang at the roller rink

Roller skatin baby

Carnival (Make room, for the Carnival, make room)

And it don't, nine-seven to infinity

Rest in Peace, Rest in Peace

And the record is not over yet, the record is not over yet

It is not, the record [fades out]
