

Wynn Stewart, But You Know I Love You

When the morning sun streaks across my room
And I'm wakened up from another dream of you
Yes I'm on the road once again it seems
All I leave behind is a chain of broken dreams
But you know I love you yes I love you oh I love you

How I wish this love was all we'd need to live
What a life we'd have because I've got so much to give
And it seems so wrong deep inside my heart
That the dollar signs are what's keeping us apart
But you know I love you yes I love you oh I love you

And I wish that I could find my way back to the time
When the problems of this world had not yet crossed our minds
For the answers could be found in children's nursery rhymes
Well I'd come running back to you

But I've made my choice many years ago
Now this traveling life is the only life I know
And I know that we can't live on dreams alone
So to pay the rent I must leave you all alone
But you know I love you yes I love you oh I love you
But you know I love you yes I love you oh I love you
