

# Wynn Stewart, Good Old Fashioned Love

There are some things in this world that I don't understand  
I guess I'm not what you'd call a modern hippie man  
I cut my hair and shine my shoes the way my daddy does  
And I'll be satisfied with you and good old fashioned love

Good old fashioned love a girl that walks the line  
I'll prove my love to you each day if you'll always be mine  
A pretty song a pretty night the moon and stars above  
Oh I'll be satisfied with you and good old fashioned love  
( steel - guitar )

Well I suppose the new mode clothes are good enough for them  
But sometimes I can hardly tell ha the women from the men  
They talk of trips they say the hip what are they thinking of  
Well I'm just satisfied with you and good old fashioned love

Good old fashioned love...  
And I hope you're satisfied with me and good old fashioned love
