

Wynn Stewart, Half Way In Love

We're half way in love I'm in love with you
Won't you meet me half way
The night is so perfect when I'm holding you
Tomorrow is so far away
We're half way to heaven half way to go
While wait a single day
We're half way in love I'm in love with you
Won't you meet me half way
(steel - guitar - piano)
We're half way in love I'm in love with you...
Oh won't you meet me half way
