

Wynn Stewart, Happy Crazy

If I'd lose my mind you'd be forgettable
The way things look right now it's inevitable
But if I lose my mind it's not regrettable
Cause then I'd be happy happy crazy

I saw a man who thought he was Napoleon
He had a funny little smile he laughed at everyone
As I watched him pick the petals from a daisy
I knew he was happy happy crazy

There was no heartache no heartbreak and no tears in his eyes
He forgot everything he once knew
To find his peace of mind I'd have to lose mine
I'd if I do I'll owe it all to you

But if you come back tonight I might be curable
And the time I wait for you might be endurable
Cause without your love I might as well be crazy
At least I'd be happy happy crazy

Cause without your love I might as well be crazy
Yes at least I'd be happy happy crazy
Thanks to you I'd be happy happy crazy
Until you come back to me I'll be happy crazy
