

Wynn Stewart, It's A Small Thing

I hope you'll like the rose I picked for you this morning
I saw it as I was leaving home
I couldn't resist the urge to stop and pick it for you
It's a small thing but it's another way to say I love you

You'll find I left the keys lying on the table
I got up in time to catch the early morning bus
And I thought that you might like to use the car for some shopping
It's a small thing but it's another way to say I love you

I can't buy you the Eiffel Tower or a brand new shiny car
And I can't buy pretty diamonds that match the evening stars
But I hope you'll like the rose I picked for you this morning
It's a small thing but it's another way to say I love you
It's a small thing but it's another way to say I love you
I love you
