

# Wynn Stewart, Loversville

Go with me to Loversville it's just over kissin' hill  
I love you and always will so go with me to Loversville  
Well we could be so happy there sweet devotion in the air  
All our dreams we could fulfill on promise lane in Loversville

Well there would just be me and you the population will be two  
True love bloomin' round our door and soon it will be three or four  
Any place is Loversville when two lovers find a thrill  
I love you and always will go with me to Loversville  
( guitar + steel )  
Well there would just be me and you...  
Now go with me to Loversville now go with me to Loversville
