

Wynn Stewart, Missing You

Missing you oh how I'm wishing you
Were in my arms tonight making love to me
Kissing you that's all I want to do
It never seems just right now that we are apart

I'm always spending time writing lines to you
Oh how I wish you write and tell me you miss me too
Right now I'm missing you and how I'm wishing you
Were in my arms tonight making love to me
(steel)
I'm always spending time...
