

# Wynn Stewart, Playboy

They call me a playboy as I'm making my rounds  
Chasing the bright lights of each nightspot in town  
Though I never show it my heart's breaking in two  
They may call me a playboy but I'm just lonesome for you

I once had a real love that was when I had you  
Now I'll never feel love with somebody new  
This clothes that I'm wearing it's just to cover my blues  
They call me the playboy but I'm just lonesome for you  
( fiddle - steel )  
I once had a real love...
