

# Wynn Stewart, Rainy Night In Georgia

Hoverin' by my suitcase tryin' to find a warm place to spend the night  
Heavy rain a fallin' seems I hear your voice callin' it's all right  
On a rainy night in Georgia a rainy night in Georgia  
I believe I believe it's rainin' all over the world

Neon signs a flashin' taxicabs and buses passin' through the night  
The distant moanin' of a train seems to play a sad refrain onto the night  
Rainy night in Georgia a rainy night in Georgia  
I believe I believe it's rainin' all over the world

How many times I've wondered it still comes out the same  
And no matter how you look at it think of it  
You got to do your own pain

So I find me a boxcar and I take out my guitar to pass the time  
Late at night now when it's hard to rest  
I hold your picture to my chest and feel fine  
But it's a rainy night in Georgia it's a rainy night in Georgia  
And I believe it must be rainin' all over the world
