SWEETHEARTS IN HEAVEN

Will there be sweethearts in heaven after we've crossed the line
If the angels have sweethearts then I want you for me
If I should go first and leave you behind to face life alone bear this in mind
I'll be a waiting if heaven's my fate
To take you by the hand just inside the pearly gates
Will there be sweethearts...
I'd be a tramp and sleep in the street or I'd be a beggar with rags on my feet
If I knew for sure when the time comes to part
Someday in heaven you'd be my sweetheart
Will there be sweethearts...
