

Wynn Stewart, There's A Star Spangled Banner W

There's a star spangled banner waving somewhere
In a distant land so far across the sea
It's waving for the ones who fought and died there
And for those who only wanted to be free

Only Uncle Sam's great heroes get to go there
Now don't say that it's not right for that'll be
The star spangled banner waving somewhere
Cause it's waving there for you and for me
(guitar)
Only Uncle Sam's great heroes...
