

# Wynn Stewart, You Don't Care What Happens To

Darling I love you so and it's mighty hard to know  
That you don't care what happens to me  
The shadows creep through and I worry over you  
But you don't care what happens to me

I wanted a true love that never would die  
But somehow that never could be  
And tears fill my eyes everytime I realize  
That you don't care what happens to me

I wanted a true love that never would die...  
You don't care what happens you don't care what happens  
You don't care what happens to me
