

# Wynn Stewart, You Took Her Off My Hands

You took her off my hands when you've stepped in  
You changed everything we're not even friends  
Now don't leave the job half done leave nothing behind  
For you took her off my hands now please take her off my mind

Please take her photograph my heart's so blue  
And take all her memories she now belongs to you  
But don't leave the job half done leave nothing behind  
Well you took her off my hands now please take her off my mind  
( guitar - steel )  
Please take her photograph...
