

# Wynonna Judd, Love's Funny That Way

There's no king when love is the thing  
We play the same rules  
In a heartbeat a wise man can be a fool  
There's no guarantee that love will be

A stranger or friend  
A prayer that's answered or a heartache that never ends  
Through the darkest hours when all is said and done  
It has the power, you go from lonely to the lucky one

(chorus)

Love's funny that way  
No matter who you are  
Well it can shake your faith  
Or it can break your heart  
Once in a while the mountains move

We all long for those days  
You live, you laugh, you say  
Love's funny that way

Not long ago I got to know the lonely side  
Just me and my pain and nowhere to hide  
It amazes me  
How my world turned around  
If it's meant to be  
That's all that matters to me anyhow

(repeat chorus)

So when you don't understand  
Best you leave it in love's hands  
Just live, laugh and say  
Love's funny that way
