

# Wynonna Judd, Sometimes I Feel Like Elvis

Lyrics by: Derek George / Neil Thrasher / Bryan White

What I am supposed to do with this house, and these cars  
All this so called success the good Lord's given me  
I'd gladly give it all away right now,  
Just to see you walk through that gate  
Up the drive and back to the simple we used to be  
Before the money and the lawyers and the lies and the chains  
And all this fame

Chorus

Sometimes I feel like Elvis  
Here I am with everything and nothing at all  
I've never felt so helpless  
I don't know who I am now that you're gone  
Sometimes I feel like Elvis

I remember the first time I saw you, you killed me  
I'd never wanted anything or anyone so bad  
I took for granted that just because of who I was  
You'd be there, while I gave the rest of the world all I had  
Everything got crazy, it all happened so fast  
It was outta my hands

Chorus

Sometimes I feel like Elvis  
Here I am with everything and nothing at all  
I've never felt so helpless  
I don't know who I am now that you're gone

Bridge

Sometimes I feel like I'm on stage  
Sometimes I feel like I'm going crazy

REPEAT HALF CHORUS

What am I suppose to do with this house and these cars  
I'd gladly give it all away right now  
Just to see you

Sometimes I Feel like Elvis
