

X Japan, Crucify my love

Crucify my love - If my love is blind
Crucify my love - If it sets me free
Never know, Never trust
That love should see a color
Crucify my love - If it should be that way
Swing the heartache - Feel it inside out
When the wind cries - I'll say good bye
Tried to learn, Tried to find
To reach out for eternity
Where's the answer - Is this forever
Like a river flowing to the sea
You'll be miles away, and I will know
I know I can deal with the pain
No reason to cry
Crucify my love - If my love is blind
Crucify my love - If it sets me free
Never know, Never trust
That love should see a color
Crucify my love - If it should be that way
'Til the loneliness shadows the sky
I'll be sailing down and I will know
I know I can clear the clouds away
Oh is it a crime to love
Swing the heartache - Feel it inside out
When the wind cries - I'll say good bye
Tried to learn, Tried to find
To reach out for eternity
Where's the answer - Is this forever
If my love is blind
Crucify my love - If it sets me free
Never know, Never trust
That love should see a color
Crucify my love - If it should be that way
