

# X Japan, Crucify my love

Crucify my love - If my love is blind  
Crucify my love - If it sets me free  
Never know, Never trust  
That love should see a color  
Crucify my love - If it should be that way  
Swing the heartache - Feel it inside out  
When the wind cries - I'll say good bye  
Tried to learn, Tried to find  
To reach out for eternity  
Where's the answer - Is this forever  
Like a river flowing to the sea  
You'll be miles away, and I will know  
I know I can deal with the pain  
No reason to cry  
Crucify my love - If my love is blind  
Crucify my love - If it sets me free  
Never know, Never trust  
That love should see a color  
Crucify my love - If it should be that way  
'Til the loneliness shadows the sky  
I'll be sailing down and I will know  
I know I can clear the clouds away  
Oh is it a crime to love  
Swing the heartache - Feel it inside out  
When the wind cries - I'll say good bye  
Tried to learn, Tried to find  
To reach out for eternity  
Where's the answer - Is this forever  
If my love is blind  
Crucify my love - If it sets me free  
Never know, Never trust  
That love should see a color  
Crucify my love - If it should be that way
