

X Japan, Longing

Kizutsuke-atta kotoba mo kasaneta namida mo
Itsuka wa omoi naru yo Dakara... togireta melody
Mune ni dakishimete - ashita mo ikiru darou
- Anata ni aenakute mo

Sing without you I'll sing without you
Can't you feel my heart, falling through the rain
I sing without you I'll sing without you
Can't you hold my tears Cause, still I love you
I can't face the thought of being alone
I sing for the song still carries on

Mune ni dakishimete - omoi o utawasete koe ni naranakute mo
Sing without you I'll sing without you
Can't you feel my pain There's nothing I can do
I still have a longing for your memory
Kizutsuku dake demo kokoro o tsuetai yo
Ima wa... hitori ni shinaide furi-sasogu me ni kowaresou na yume
Ashita mo kanaderu kara

Sing without you, I'll sing without you,
can't you feel my heart, falling through the rain.
I sing without you, I'll sing without you,
can't you hold my tears, cause still I love you.
Sing without you, I'll sing without you,
can't you feel my heart, falling through the rain.
I sing without you, I sing without you,
can't you hold my tears, cause still I love you.
