

# X Japan, The last song (memorial track)

Watching the stars till they're gone  
Like an actor all alone  
Who never knew the story he was in  
Who never knew the story ends  
Like the sky reflecting my heart  
All the colors become visible  
When the morning begins  
I'll read last line  
owaranai ame dakishimeta yoru ga asa o mukaeru  
kokoro wa mada nuretamama  
In endless rain I've been walking  
Like a poet feeling pain  
Trying to find the answers  
Trying to hide the tears  
But it was just a circle  
That never ends  
When the rain stops, I'll turn the page  
The page of the first chapter  
kizutsuku dake kizutsuite wakatta hazu no kotaeo  
doshite mada toikaketeru  
Am I wrong to be hurt  
Am I wrong to feel pain  
Am I wrong to be in the rain  
Am I wrong to wish the night won't end  
Am I wrong to cry  
But I know, It's not wrong to sing the last song  
Cause forever fades  
kigatsukeba mata hitori yoru no sora o mitsumeteru  
sukoshi tsumukiete yuku our memories  
kizutsuku dake kizutsuite wakatta hazu no kotaeo  
doshiite mada toikaketeru  
I see red  
I see blue  
But the silver lining gradually takes over  
When the morning begins  
I'll be in the next chapter  
owaranai ame dakishimeta yoru ga asa o mukaeru  
kokoro wa mada nuretamama  
kizutsuku dake kizutsuite wakatta hazu no kotaeo  
doshite mada toikaketeru
