

# X!NK, Do you know i need you

This is hard for me to say, but my life is not ok  
It's impossible to live without you  
In my world everything turns bad, even with you  
i have your picture in my head.  
The times i shared with you, i will remember as the best days, the best days of my life  
And i will not forget, now that i'm lying in my bed  
catching teardrops...teardrops in my hand  
Do you know i need you?  
Could you need me too?  
I'm begging you  
turn my life around  
Do you know i need you?  
Could you need me too?  
Come and catch me now, cause i'm falling down  
Your life is not about me, and i just have to face the  
Thought of a life, a life without you  
It's the end of an era , not the end of the world  
And i hope...i hope you're happy  
Do you know i need you?  
i hope you need me too?  
I'm begging you  
turn my life around  
Do you know i need you?  
Could you need me too?  
Come and catch me now, cause i'm falling down  
The closer that you come, the better that i feel,  
But that moment is now gone  
I hope you find the love of your life, and i'll be happy for you,  
Happy 'till the end of times  
Do you know i need you?  
Could you need me too?  
I'm begging you  
turn my life around  
Do you know i need you?  
Could you need me too?  
Come and catch me now, cause i'm falling down
