

# X-PERIENCE, Mirror

I'm looking for a mirror  
to face my eyes  
and realize  
the beauty of youth  
is the only thing worth having  
i'm jealous of everything  
whose beauty does not die  
oh i'm jealous  
of the picture the mirror  
has painted  
i beg for more  
more than i can get  
but i know i can't get by  
with only a glance of my eye
