

X-Ray Spex, Hi Chaperone

You know, you know, you know you know you know
I can't go out alone
Hi chaperone, my chaperone

What you think is all wrong
'Cos you shouldn't treat a girl like a game of ping-pong
But I can't go out alone without a chaperone
Hi chaperone, my chaperone

You may say sweet dreams tonight
Blow me a kiss, well I guess that's alright, that's alright
I can't go out alone without a chaperone
Hi chaperone, my chaperone
You may say the streets are safe
In these modern days, but I'm not OK
I can't go out alone without a chaperone
Hi chaperone, my chaperone
I can't go out alone without a chaperone
Hi chaperone, my chaperone
Hi chaperone, my chaperone
Hi chaperone!

Hi chaperone! Hi chaperone! (repeat)
