Xandria, Eversleeping

Once I travelled 7 seas to find my love And once I sang 700 songs Well, maybe I still have to walk 7000 miles Until I find the one that I belong

I will rest my head side by side
To the one that stays in the night
I will lose my breath in my last words of sorrow
And whatever comes will come soon
Dying I will pray to the moon
That there once will be a better tomorrow

Once I crossed 7 rivers to find my love And once, for 7 years, I forgot my name Well, if I have to I will die 7 deaths just to lie In the arms of my eversleeping aim

I will rest my head side by side
To the one that stays in the night
I will lose my breath in my last words of sorrow
And whatever comes will come soon
Dying I will pray to the moon
That there once will be a better tomorrow

I will rest my head side by side
To the one that stays in the night
I will lose my breath in my last words of sorrow
And whatever comes will come soon
Dying I will pray to the moon
That there once will be a better tomorrow

I dreamt last night that he came to me He said: "My love, why do you cry? For now it wont be long any more Until in my cold grave we will lie"

Until in my cold grave we will lie
