

Xavier Naidoo, That's the way love is

wo people take a vow to be together
And live and love each other forever
They promise to love a lifetime
Funny thing, then they change their minds
They both go their seperate ways
And love is just a memory
But a young heart doesn't stay sad long
Another love soon comes along
And that's the way love is
And that's the way love is
And that's the way love is
Two people don't get along
Deep down in both have feelings very strong
They try hard to conceal it
Their hearts burn 'cause they both know they can feel it
And that's the way love is
And that's the way love is
And that's the way love is
Lovers leave without reason
Feelings change just like seasons
In love nothing's for certain
There's no use in pretending what's behind the curtain
Oh-oh oh-oh-oh oh oh oh-oh-oh, hey yeah
Oh-oh oh-oh-oh oh oh oh-oh-oh
Hey ah-ah-ah-ah ah-ah-ah ah ah-ah, oh woh woh
Woh-oh oh-oh oh oh oh
That's the way love is
That's the way love is
That's the way love is
That's the way love is
Love, lo-love, lo-love, lo-love, lo-love
Love, love, lo-love, lo-love, lo-love, love-love
Ah ah-ah ah ah ah
Ah ah-ah ah ah ah
That's the way love is
That's the way love is
That's the way love is
That's the wayl ove is
That's the way love is
That's the way love is
That's the way love is
That's the way love is
That's the way love is
