

Xavier Rudd, Shelter

Well, Here I Am This Is My Shelter
Here I'm At One With These Trees
And All These Birds Sing To My Rhythms
And These Waves They Comfort Me

Do What You Will While Your Able
Find What It Is That You Seek
Only I'll Fly, Fly, Fly Above The Ocean
I Will Fly So High Above The Sea

If It's Shelter You're Searching For
The One That I Cannot Provide,
Well, I Wish You Well On Your Journey
I Hope Your Dreams They Come Alive
I Hope Your Dreams Back Down And They,
Well They Thrive

Do, Do, Do
Do, Do, Do
Do, Do, Do

Well, I Filled My Cup With Your Answers
I Filled My Cup With Your Lies
You Topped It Up With Your Mysteries
And All Those Secrets I denied

Do What You Will While Your Able
Find What It Is That You Seek
Only I'll Fly, Fly, Fly Above The Ocean
I Will Fly So High Above The Sea

If It's Shelter You're Searching For
The One That I Cannot Provide,
Well, I Wish You Well On Your Journey
I Hope Your Dreams They Come Alive
I Hope Your Dreams Back Down And They,
Well They Thrive

I Hope Your Dreams They Come Alive
I Hope Your Dreams Back Down And Thrive

Do, Do, Do
Do, Do, Do
Do, Do, Do
