Xiu Xiu, Ceremony

This is why events unnerve me They find it all, a different story Notice whom for wheels are turning Turn again and turn towards this time All she ask's the strength to hold me Then again the same old story Word will travel, oh so quickly Travel first and lean towards this time

Oh, I'll break them down, no mercy shown Heaven knows, it's got to be this time Watching her, these things she said The times she cried Too frail to wake this time

Oh, I'll break them down, no mercy shown Heaven knows, it's got to be this time Avenues all lined with trees Picture me and then you start watching Watching forever, forever Watching love grow, forever Letting me know, forever
